# Stakeholder Engagement Process

- Stakeholder engagement includes:
  - Stakeholder's ability to register for notification for upcoming events, announcements, comment topics, and document postings via [subscription](#)
  - Once registered stakeholders will be notified of:
    - State Engagement meetings with the ability to attend in listen only mode
    - Any Stakeholder engagement specific meetings in listen only mode
    - New documents and meeting information on the [NorthernGrid website](#)
  - Stakeholder's ability to send questions and comments via email or comments [nwpp\\_northerngrid\\_staff@westernpowerpool.org](mailto:nwpp_northerngrid_staff@westernpowerpool.org)  
<https://www.northerngrid.net/comments/>
- Stakeholders will:
  - Register for notification for upcoming events, announcements, comment topics, and document postings via [subscription](#)
  - Attend meeting(s) with Enrolled Transmission Owners
  - Provide written feedback on the material presented within a specified time period
  - Provide written feedback on proposed tariff changes within a specified time period
  - Communicate with the Enrolled Transmission Owners in the NorthernGrid planning region regarding the stakeholder outreach process by sending any questions or comments to [nwpp\\_northerngrid\\_staff@westernpowerpool.org](mailto:nwpp_northerngrid_staff@westernpowerpool.org)
- Enrolled Transmission Owners will:
  - Post meeting notices, agendas, and login information on NorthernGrid website
  - Schedule additional stakeholder engagement meetings, if warranted
  - Post proposed tariff language for Order 1920 compliance to the NorthernGrid website and specify period for written comments
